

ESC Covid 19 Policy and Procedures

Including but not limited to:

- Using one gate for an entrance the other for exiting at both pools.
- Bleachers will be removed to avoid interaction without distancing.
- Using markers 6 feet apart on the pool deck for swimmer distancing.
- Depending on attendance practices can be blocked into 1 or 1 1/2 hours.
- Parents will be required to remain in their cars, or simply drop off and pick up.
- Bathrooms - only one person at a time will be permitted to use the bathrooms.
- Personal water bottles will be required, this will avoid the need for water fountains.
- Coaches and swimmers upon arrival will be required to wear masks until told it's time to get in the water.
- Practices will be conducted in such a way as to avoid interaction. Swimmer interaction will not be permitted in or out of the pool unless by family members.
- Swimming aids, fins and kickboards etc. will be handed out and replaced by the coaches in order to avoid swimmer interaction.
- Weather delays will require that we maintain distancing to and from and while in our safe space, which has been the Student union building.
- Decisions on potential inclement weather and its impact on practice will be made ASAP, parents will be notified of early cancellations.
- Dry land in case of weather delays will be dependent on space availability and safety.
